Dear Sirs:

**Payment of Difference Owed Pursuant to 37 CFR 1.28 (c)**

Maintenance Fee #3 for this patent was inadvertently paid on June 14, 2010 at the Small Entity rate. We hereby submit the balance of the payment due as a Large Entity.

Between the time of payment of maintenance fee #2 at the Small Entity rate and the time of paying maintenance fee #3, the patentee assumed a Large Entity status which was inadvertently not carried through to the payment made June 14, 2010.

Through error, the Office was not notified as to the loss of Small Entity status pursuant to 37 CFR 1.27 (a)(2).

The following is a calculation of the difference in the payment:

Maintenance Fee #3 for a Large Entity	\$4,110.00
Maintenance Fee #3 paid	\$2,055.00
Difference Owed	\$2,055.00

The Director is hereby authorized to charge \$2,055.00 to cover the payment deficiency to Deposit Account No. 192253.
